Planning Amendment No. 02-305

Sent from Windows Mail
Dear Commissioners

I am in favor the proposed amendment number 02-305. The Chatsworth/Porter Ranch communities have been substantially over developed. It is time that we stop and look at the overall planning in these communities and realize that there needs to be more than just houses and asphalt around us. We NEED OPEN SPACES!

This is a great opportunity for the county to preserve open land for the use of all including equestrians, and hikers. The acceptance of this amendment will give us a chance to preserve existing trails throughout the area and the true beauty of the area will be around for our children's children to explore and enjoy. Preserving the history of the Chatsworth area, along with the rock formations, is critical to knowing what Chatsworth, at one time, was all about.

I hope that you will all agree that Amendment No. 02-305 is what is needed for the Chatsworth/Porter Ranch Area and that you will approve this Amendment.

Thank You for you consideration
